DEAN BRENNAN

Hi Bees!

Welcome back to The Hive as we take on Maidstone United in the Vanarama National League.

After a tough weekend, it is vital that we all come together and bounce back to hopefully take the three points.

We have been working hard on the training ground and during our pre-match preparations and the boys are raring to be back on the pitch to put things right!

We look forward to welcoming Hakan Hayrettin, the players, staff and supporters of MAIDSTONE UNITED to The Hive.

I hope that we can get back to winning ways today. The team has been working hard in the training ground and I want us to put on a performance that our wonderful supporters can be proud of!

MAIDSTONE UNITED HISTORY

Maidstone United Football Club was founded in 1897. Following the demise of the Football League side in 1992, the club was reborn as Maidstone Invicta and joined the Kent County League Division Four for the 1993/94 season. They won the title at the first attempt and also picked up the West Kent Challenge Shield and the Tunbridge Wells Charity Cup.

Following a restructuring of the league, they were promoted to Division Two and won the title again as well as lifting the Kent Junior Cup. After three seasons in Division One, the Stones finally earned promotion to the Kent County League Premier Division with former player turned manager Jason Lillis at the helm. Lillis has a place in Stones' history as the only player to appear in Maidstone United's first and last games in the Football League.

In their second season in the Kent County League Premier Division – during which Maidstone United were awarded senior status – the Stones finished as runners-up to Bearsted and duly earned promotion.

The club returned to the Kent League for the 2001/2002 season and played their home games at Central Park in Sittingbourne. There were several highlights during the campaign, including their first ever match in the FA Vase in which the Stones defeated Hellenic League Carterton Town 4-1.

THE OPPOSITION

Maidstone became league champions on the last day of the season when they defeated Deal Town at the Charles Sports Ground. The following week the Stones completed the Kent League and Cup double after defeating Whitstable Town 2-0 at Folkestone Invicta's Cheriton Road.

The highlight of the 2002/2003 season was the club's return to the FA Cup. With the added attraction of being chosen by the BBC for The Road To Cardiff, the Stones started their cup trail at Ramsgate and on the way defeated Tonbridge Angels and Newport (IoW) before losing to Boreham Wood in the Second Qualifying Round in front of a home crowd of 937.

In the league the club led the table for almost the entire season but following the late resignation of Faversham Town, the League Management Committee decided the title would be awarded to the club with the highest points earned per match average. The Stones lost the league title by 0.14 points! Silverware was forthcoming though, as the club won the Kent Senior Trophy for the first time with a 3-0 victory over Cray Wanderers at Chatham Town FC.

The Stones repeated their championship victory for a second successive season when, yet again on the last day of the campaign, they travelled to Walton Casuals and secured the Ryman League Division One South title with a 2-1 win.

Following another promotion the club spent five years in the Ryman League Premier Division with little in the way of playing success. An eight-year groundshare agreement with Sittingbourne ended and for two seasons the Stones moved to The Homelands in Ashford.

The Chairman of 19 years, Paul Bowden-Brown, stepped down in October 2010 and with the club in dire financial straits Oliver Ash and Terry Casey took over as joint chairman and owners. The 2010/11 season ended in disappointment as the Stones were relegated for the first time in their history to Ryman League Division One South but off the field the exciting stadium plans were taking shape.

At the end of the 2013/14 campaign Maidstone missed out on a play-off place by two points but silverware came in the form of the Robert Dyas League Cup.

During the 2015/16 season the club again qualified for the first round proper of the FA Cup where they narrowly lost 1-0 at home to League Two side Yeovil Town in front of a record-breaking crowd of 2,811. After finishing third in the league the Stones faced Ebbsfleet United in the Promotion Final at Stonebridge Road. The match finished 2-2 after extra time and Maidstone won the resulting penalty shoot-out 4-3 to win promotion to the Vanarama National League.

The first season back in non-league's top flight ended with a 14th place finish and a further expansion of the Gallagher Stadium. The opening of The Genco Stand in March 2017 saw capacity rise to 4,200 and just shy of that figure watched the fifth anniversary game against Crystal Palace that summer.

The Stones' three-year stay in the National League came to an end in April 2019 but a return to non-league's top flight was secured in May when the Stones were crowned National League South champions in front of a sellout crowd.

THE OPPOSITION

9

SOL
WANJAU-SMITH

The 23-year-old forward joined from Hungerford Town, where he'd impressed against the Stones in both league meetings last season. He set up the injury-time winner for Ryan Seager at Bulpit Lane last October and provided another assist for Seager and was on the scoresheet himself at the Gallagher in March as the Crusaders led 2-0 before United won a five-goal thriller.

He finished the campaign with six goals and 17 assists, also winning nine penalties.

14

DOMINIC
ODUSANYA

After impressing last pre-season, Dom put pen to paper on a deal for the 2020/21 campaign, which was extended for the championship-winning campaign.

He signed for Tooting & Mitcham in January 2020, making eight appearances before the season was brought to an early end. Prior to that he spent a season and a half with VCD Athletic, clocking up 65 appearances.

27

PERRI
IANDOLO

The second member of his family to sign for the Stones, the 19-year-old follows in the footsteps of his brother Ellis, who had a spell with the club in 2014 before signing for Swindon Town.

Perri joined the club's football academy – having played for Maidstone United under-16s – and that put him in the shop window to become a regular for the under-23s and then on to the first team. Played the majority of last season on loan at Sutton Common Rovers, where he was named players' player of the season.

2

GAVIN
HOYTE

In a professional career spanning more than a decade, Gavin started at Arsenal from the age of nine and went on to make several senior appearances for his boyhood club.

In between his Victoria Road days, the 32-year-old played for Gillingham, Barnet and Eastleigh.

He captained the Stones for the majority of last season's championship success and made his 100th appearance during that campaign.

CLASSIC ENCOUNTER WITH THE STONES

Thanks to an injury time winner, Barnet beat the "old" Maidstone United (which went out of business shortly after this game) 3-2 at Underhill on Saturday 15 February 1992 in Barclays League, Division 4 (what is now League 2).

The Stones team included Paul Haylock and Irish international Gary Breen, who both later played for the Bees, while Hakan Hayrettin, now the Stones manager, came on as a substitute for the Bees. Stuart Nethercott made his debut for Barnet.

Barnet had the best of the first half hour, with chances falling to Gary Poole, Mark Carter, Roger Willis and Carter again. But none were taken. However, the Bees eventually opened the scoring in the 33rd minute when Paul Showler's corner from the Barnet right at the bottom end of the ground sailed straight in, with Maidstone goalkeeper Iain Hesford possibly managing a faint touch. It was the second time that season that the Barnet man had scored direct from a corner.

Barry Fry's Barnet doubled their lead within a minute. Mick Bodley cleared a Stones attack with a left-footed hoof forward. Bull nudged the ball on to Showler, who beat his man on the left wing and dinked a cross over the Maidstone defence from inside the box for Willis. Willis rifled a shot into the roof of the net from the edge of the six-yard box.

Barnet protected their two-goal lead until 11 minutes to go. A long ball forward by the Stones brushed off a couple of heads and allowed substitute Robbie Painter to score with a deft header from very close range. Ten minutes later, a Stones corner was headed on at the near post and, despite the Barnet keeper's flailing attempts to reach the ball, Darren Davis scored from a few yards out.

Maidstone looked to have rescued a point. However, with just seconds remaining, Showler sent in another corner that evaded everyone and bounced awkwardly high. Mark Carter swivelled and conjured up a shot over the Maidstone defenders from the left of the goal into the top righthand side of the net.

The result kept Barnet in touch with the promotion pacesetters. Eleven weeks later, at the end of their first season in the Football League, Barnet finished in a play-off spot, but went out to Blackpool in the semi-final 2-1 over two-legs. The Stones finished the season 18th of the 22 teams, but sadly went out of business during that summer.

Teams: Barnet: Andy Pape, Gary Poole, Dominic Naylor, Mick Bodley, Stuart Nethercott, Paul Wilson, Roger Willis (Hakan Hayrettin), Mark Carter, Gary Bull, Kenny Lowe, Paul Showler (Jonathan Hunt)

Maidstone United: Iain Hesford, Paul Haylock, Les Thompson, Mark Smalley, Gary Breen, Darren Davis, Jason Lillis, Gary Stebbing, Brad Sandeman, Neil Ellis (Robbie Painter), Liburd Henry
Attendance: 2,871

THE OPPOSITION

HEAD-TO-HEAD WITH MAIDSTONE UNITED

Barnet have only met the current Maidstone United in competitive games on two occasions, in the National League in 2018/19. The former Maidstone United folded in 1992. The current club began life as Maidstone Invicta, but took on the Maidstone United name in 1995.

The Bees lost their two games against the current club, going down 2-0 at home and 2-1 away. Despite these results, Barnet finished that season in 12th and Maidstone were 24th and bottom (and therefore relegated back to the National League, South).

The most recent game saw Medy Elito score in the first half for the Bees and he is therefore the only Barnet player to score against the current club. The Stones scored twice in the second half, with the first coming from ex-Bee Justin Amaluzor, which ended a seven-game run for the Bees without conceding.

The Barnet team was: Mark Cousins, Cheye Alexander, Dan Sweeney, Callum Reynolds, Craig Robson, David Tutonda, Harry Taylor, Wes Fonguck (Simeon Akinola), Medy Elito (Jack Barham), Ephron Mason-Clark (Antonis Vasiliou), Shaq Coulthirst.

Barnet competed against the old Maidstone United on 38 occasions, with 13 wins, 16 defeats and nine draws. Eddie Stein played in the fixture 17 times while Nicky Evans scored six goals.

The attendances at the two games against the new club in 2018/19 were 1,424 at The Hive London and 1,471 at the Gallagher Stadium. The largest crowds against the former Maidstone United were 3,510 at home and 1,988 away (though the attendances for games in the Athenian League in the 1950s and the FA Amateur Cup in 1965 are not known).

Michael Phillips, a current Barnet player, was in the Stones team for both games against the Bees in 2018/19, while Jack Barham, currently with Maidstone, came on as a sub in both games for the Bees. Gavin Hoyte, who was with the Bees in 2015/16, is also currently at Maidstone, while ex-Bee Hakan Hayrettin has been the Stones' manager since 2019.

Justin Amaluzor played for the Kent team in the away game in 2019 and Dan Sweeney played for Barnet in that match, having been at Maidstone earlier in his career.

Others to have played for the Bees and the current Maidstone club include (with dates at Barnet): Iffy Allen (2012-14), Adam Birchall (2006-09), Jake Cole (2009-11), Nana Kyei (2016-18), Stuart Lewis (2007), Ross Marshall (2022), Alfie Pavey (2014 and 2019-21) and Charlie Stimson (2010-11).

ON THIS DAY

SIX years ago (2016)
Barnet lost 5-0 at home to Norwich City U23s in the group stage of the Football League Trophy. The crowd was 457. The Bees bowed out of the competition after one further game. Ephron Mason-Clark made his Barnet debut as a substitute aged 17 years and 40 days.

EIGHT years ago (2014)
The Bees beat Eastleigh 1-0 at The Hive London in a National League game. Loanee Sam Hoskins, who is now in his eighth season at Northampton Town (265 Football League appearances), scored the Barnet goal in the first half, one of two goals in seven appearances for the Bees. The crowd was 1,610. The Bees won the championship that season and were promoted back to the Football League, while the Spitfires made the play-offs, but not the play-off final.

11 years ago (2011)
Barnet won 3-1 at Gillingham in the Football League Trophy, second round, with the Bees' goals coming from Izale McLeod (two) and Mark Marshall. The attendance was 1,278. The Bees beat Cheltenham Town in the third round, Brentford on penalties in the fourth, and finally went out to Swindon in the area semi-final.

14 years ago (2008)
The Bees overcame Accrington Stanley 2-1 at Underhill in this fourth-tier game. John O'Flynn and Ismail Yakubu scored the Barnet goals and 1,899 spectators saw the action. Both teams finished the season in the bottom half, but well clear of relegation.

19 years ago (2003)
Barnet beat Morecambe 2-1 at home in a National League encounter. Ben Strevens and Ian Hendon scored for the Bees, while the attendance was 1,776. Barnet made the play-offs, but lost to Shrewsbury Town in the semi-final.

33 years ago (1989)
Barnet beat Farnborough Town 1-0 away in the National League. Phil Stacey got the Barnet goal, and the crowd was 1,152. The Bees finished second in the league (but there were no play-offs and only the champions were promoted), while Farnborough were 21st and relegated.

AND CURRENTLY

Barnet go into tonight's game having gained nine points from their five home games this season. Maidstone have managed four points from six away games.

If the Bees can score away at Wrexham on Saturday, they will take their record of scoring in away games to 11 consecutive matches. That would beat their record of scoring in 10 consecutive away games (all in the Football League) between November 2016 and February 2017.

So far this season, Barnet have used 20 players, less than the average for teams in the National League. Solihull Moors and Woking have utilised fewest players (17), while Notts County and Oldham Athletic have used most (25).

According to the BBC, the leading goalscorer in National League games this season is Macaulay Langstaff from Notts County on 15. He is followed by James McShane from Dorking Wanderers on 10 and Paul Mullin of Wrexham on nine. Barnet's Nicke Kabamba is ninth equal on five goals.

BFC SUPPORTERS' ASSOCIATION

Hi, my name's Mark Green and I've recently been elected on to The BFCSA1926 committee.

Firstly, thank you to everyone who voted for me.

I've been supporting Barnet since 1985 around the Roger Thompson and Don McAllister era when my Grandad and Dad took me to Underhill.

It's always been a family affair; Grandad, Dad, brother and myself all supporting Barnet. I can't put my finger on what it was about this club. The slope, the tight compact terracing at Underhill, the atmosphere under lights mid-week, Bill Baldry trapping a drip from a tap on the sign advertising our sponsors Godwins Plumbers or the sausage rolls from the Tea hut? What ever it was I was hooked!

There's been so many highs, so many lows, boom, bust, boom and bust again! So many memories. From Steve Mahoney to Sean Devine so many great players.

I've seen this club on the brink of going to the wall and bouncing back, so much of this is down to the hard-core support, it's the heart of any club and this is why I wanted to be part of the BFCSA1926 committee. It feels like the relationship between the supporters and the club is becoming tighter. We have a manager who wants to build that relationship and if we can support that then that can only be good for the club.

Sitting in the Hive Stand with my Dad I can bring a different perspective of what fans need. If you see me around and have ideas or comments please come and talk to me.

For those fans who aren't part of the association yet, please join so our voice can be heard.

DAGENHAM & REDBRIDGE AWAY POSTCARD

We were finishing September with a local away day at Dagenham & Redbridge and after last season's 7-3 defeat, everyone was hoping for a quieter affair this time round. Due to the District line to Dagenham being off, we had a fair journey on our hands so I set off with my cousin who I'd roped in for the day at around 11am. We met James and Janice on the tube along the way, travelling to Stratford before getting a train to Romford. Once we were in the right neck of the woods, we had a short bus journey towards the ground where we picked up more Bees fans along the way. By 1pm we were in the pub near the ground and luckily for me, my dad was already there with a drink ready for me! A number of us sat outside in the sun catching up with one another and just after 2pm, we all headed to the ground in good spirits. After getting some food, we took our place behind the goal ready for the game, with our fans in good voice.

The started energetically and just 14 minutes in we took the lead with Nicke Kabamba scoring from the back post. Four minutes later we doubled our lead when Kabamba played the ball to Sean Shields who put the ball in the net. We'd had an ideal start! However just three minutes later, Dagenham got themselves back in the game when Josh Walker scored. Two minutes later, Mauro Vilhete scored with a great finish to level the scores. By this point, we knew we were in for another mad game! The game continued to be high-paced with end to end stuff, although we went into half time 2-2 and fairly relieved! After using the break to catch our breath, the teams were out for the second half and we were hoping to regain the lead. We had another great start with Kabamba scoring again just two minutes into the half. Dagenham had a chance straight afterwards that Laurie Walker did well to keep out. However, in the 54th minute the hosts equalised again, this time through Omar Mussa, and in the 60th minute they took the lead from a corner. We continued to try and push forward ourselves though and in the 71st minute we were rewarded for our efforts when Jerome Okimo scored his first goal for the club after a corner in from Rob Hall. The final 20 minutes of the game were sickening with both sides trying their luck and when six minutes of time was added, I didn't know if I could cope! In the 93rd minute it was gutting when Dagenham scored again giving them a late lead. We tried to attack in the final minutes of the game but the referee blew and it finished 4-3 to the hosts.

It's fair to say our fans were all deflated after that result but we applauded the boys off the pitch before heading out of the ground. We headed back towards the station and into London trying to raise our spirits after what we had just witnessed. The benefit of a local away day meant me and my Dad could spend an evening in London before heading home. The result was absolutely gutting but we all had a great day out with each other and my cousin enjoyed it too! With 19 goals across the last two games at Victoria Road, I think I'll need to prepare myself before returning!
